FEDERAL BUREAU OF INVESTIGATION

Date 1/3/641

Mrs. RUTH PAYNE, 2515 West 5th Street, Irving, Texas, telephonically advised that a reporter for the Houston Post, by the name of LONNIE HUDKINS, had returned to see her in the afternoon of December 28, 1963. Mrs. PAINE furnished the following information concerning this contact by HUDKINS:

HUDKINS referred to an article which he stated had appeared in the New York Times, either December 26 or 27, 1963, which article conjectured that LEE HARVEY OSWALD probably made a deal with the U. S. Government to work in its behalf in anti-subversive endeavors in return for being granted permission to return to the United States. She stated that the article reportedly goes on to bring out that OSWALD probably was not being watched any more closely than he was by the FBI because OSWALD was working for or on behalf of the government.

Mrs. PAINE stated that HUDKINS said that a "socially prominent" (not further identified) person for whom OSWALD's mother had worked in Ft. Worth about a year or so ago, was supposed to have been told at that time by OSWALD's mother that OSWALD was doing important anti-subversive work for the government.

Mrs. PAINE stated that HUDKINS' primary purpose of seeing her was in an effort to get some confirmation, if possible, of the possibility OSWALD was actually working on behalf of the U. S. Government prior to the assassination. Mrs. PAYNE told HUDKINS she knew of no such situation and ventured the opinion to HUDKINS that the story was highly unlikely since she could not imagine anyone having that much confidence in OSWALD.

Under date of December 31, 1963, the Houston Office advised that LONNIE HUDKINS, reporter for the Houston Post Newspaper at Houston, Texas, had advised SA JAMES W. EUSSELL on December 31, 1963, that in his conversations with RUTH. PAINE, the socially prominent Ft. Worth woman referred to was LINDA ROSENTHAL who lives in the 4800 Block of Oram Street, Ft. Worth, Texas.

HUDKINS advised that Mrs. ROSENTHAL had employed Mrs. OSWALD in September and October 1962, and that ROSENTHAL had previously been interviewed by the FBI.

HUDKINS concluded by stating he was on a "fishing expedition" and was attempting to determine if LEE HARVEY OSWALD had been a "stool pigeon" for some government agency such as CIA or the FBI.
